

SILICON SHEETING

New Grid Sheetting

Allows cleaning agents and sterilants better access to Instruments whilst offering protection and secure placement.

Especially useful in Wire mesh trays

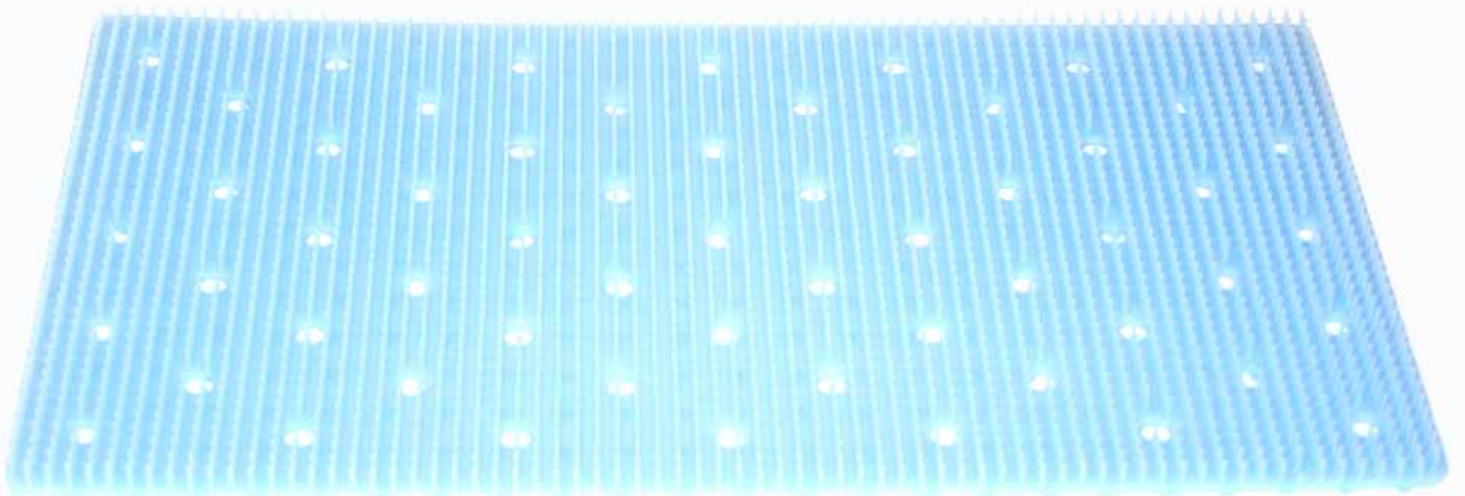

Can be placed on top of instruments in washer to prevent them from being moved around by water jets.

2 standard sizes to suit DIN trays

AXS-4724 Grid Silicon Mat 470x240mm

AXS-2423 Grid Silicon Mat 240x 230mm

Standard Silicon Sheetting

S98-61805 Silicon Sheet 380x 240mm (15" x 10")
